EM Portfolio Morning Brief — Wednesday, 28 October 2026

Coverage: full watchlist sweep; Tue 27 Oct sessions plus early Wed. **Data caveat:** only search summaries were available — page fetches failed (DNS) for most outlets, so figures are snippet-level and several conflict between sources. Nothing dated Wed 28 Oct was found for Brazil. "QUIET" means *nothing found*, not *verified nothing*. Conflicts are flagged inline.

1. Top of the stack

1. **Brazil: the crash is confirmed; Tuesday was a flat, low-conviction day.** Lula won the runoff 51.79%–48.21% (TSE). Mon 26 Oct: **Ibovespa -13.88% to 176,608**, worst day since Mar 2020, 30-minute circuit-breaker halt; USD/BRL closed ~5.40 (+8%+, biggest jump since 1999) (InfoMoney, Mixvale). **Tue 27 Oct: Ibovespa -0.51% to 175,710 (lowest close since 28 Aug; YTD gain down from 29.8% to 9.1%); USD/BRL ~5.35 (-1.0%)** (Soubrasilia, Money Times). *One search hit showing Ibovespa ~181,919 / USD/BRL 5.20 matches no dated source — discard.* Rates: DI Jan-28 ~14.80%, Jan-31 ~15.19% vs 12.86% pre-vote on Mon (CNN Brasil). **Copom 3–4 Nov (decision 4 Nov ~18:30):** Selic 13.75%; the better-supported read is hold in Nov with +25bp Dec / +50bp Jan priced, though one outlet claims ~75% odds of a November hike (Portal do Holanda) — conflict, unverified. Correction to yesterday's brief: Flávio Bolsonaro's annulment request was reportedly dropped on 26 Oct in favour of an abuse-of-power case against the Lula–Alckmin ticket (FPA); Reuters-via-Yahoo says he has not conceded — status unclear.
2. **FOMC decision today (2pm ET, Warsh presser).** Hold is priced (<10% odds of a hike per CME, CNBC); risk is tone on a December hike (Fed hiked 25bp on 16 Sep). UST 10y ~5.00% (CNBC 5.01%, Yahoo 4.99%) (CNBC); DXY ~102.4, a two-week high (TraderFactor) — correct yesterday's unverified ~99.2. Fed funds range is reported as both 3.50–3.75% and 3.75–4.00% — conflict, check federalreserve.gov.
3. **Korea: KOSPI +3.09% Tue to 5,638.34**, biggest gain since February; Samsung Electronics +4.2% to ₩222,000, SK hynix +5.2% (~₩1.34m) on a Wall Street semis rally (SOX +2%) attributed to Anthropic's IPO filing (MoneyToday, Sedaily; snippets only; foreign net buying reported as ₩593bn in one source, ₩64.7bn in another). **Correction:** SK hynix Q3 is due **Thu 29 Oct**, not 28 Oct (MoneyToday, 19 Oct); consensus OP ~₩77tn (FnGuide ~₩76.96tn; Citi cut to ₩74tn). Samsung Electronics full Q3 also 29 Oct (prelim OP ₩107.4tn on ~₩195tn sales, Samsung). Both prints are binary for SK Inc, SK Discovery, LS, Samsung Life/C&T.
4. **Indonesia: MSCI reclassification consultation is the live risk.** MSCI proposed moving Indonesia from EM to Standalone (launched 15 Oct NY); feedback due 30 Apr 2027, **decision by 30 Jun 2027**, index freeze stays; JCI fell ~11% on 16 Oct and is down ~39%+ YTD (MSCI release via UNI, Business Today). Rupiah ~18,125/USD, a record low; 10y yield 7.52%, four-year high (Bloomberg). Resolves yesterday's open MSCI-timing question (primary msci.com page could not be fetched; relied on the press-release copy). Hits BBRI, BRPT, INDF, MEDC, BUKA, HIDR.
5. **Daqo (DQ) Q3 out:** net loss $52.9m (-$0.78/ADS) vs Q2 -$81.2m; revenue $194.2m; sales 46,910 MT (Q2 15,190), ASP $4.12/kg, cash cost $4.23/kg; **Q4 production guide 35–45kt, further utilisation cuts under consideration**, industry inventory ~700kt (PR Newswire, Motley Fool transcript). Sources conflict on the Q3 production guide beaten (40–45kt vs 50–55kt). Stock reaction not found. Also: **Freeport reported Q3 Tue** (adj. EPS $0.88, net income $1.2bn) — see metals.

Position mechanics needing a decision: (a) **US T-bill 912797SA6 matured 1 Oct 2026** (52-week bill issued 2 Oct 2025; TradingView, SEI and Gabelli holdings; TreasuryDirect page not found) — remove/roll; (b) **Brazil book** into 4 Nov Copom (BBAS3, B3SA3, CYRE3, LREN3, MOVI3, XP, BLTN); (c) **RNW** $7.02 scheme on track; (d) **MTN–IHS** awaits SA Tribunal; (e) **Anglo–Teck** SAMR pending, Teck Q3 tomorrow; (f) FOMC today; (g) **Indonesia/MSCI** sizing; (h) **GORO** ticker confirmed, watchlist cleaned.
